SPIRITUAL PARENTING

APR 24-MAY 29 | 6:30 PM | ROOM 1109

Facilitators - Preston and Jennifer Spencer

"It's hard enough to train kids to behave, but good behavior isn't what Jesus calls for in the Bible. He wants hearts and souls that are shaped in vibrant faith and love toward God and others. How can parents cultivate this in their children?

Spiritual Parenting is a six-part video series that empowers parents to be the primary nurturers of their children's faith and teaches them how to create a home environment God can use to work in their children's lives. Families will be transformed as they learn how to create space for God-encounters in everyday life."

FOSTER CONNECTION

Hey MV Family.....do you enjoy cooking? We have a perfect spot for you to use your gifts to love on vulnerable children and families. Foster Connection is a newly formed organization whose goal is to support local foster families. One of the ways we support them is by taking them a few meals

when a child is first placed in their home through the foster care system. If you would be interested in helping ease the strain off of the first week a child is placed in care by providing a meal, please email us at fosterconnectionnc@gmail.com.

Be sure to follow us on [Instagram](#) and [Facebook](#) to get more information and updates on all that's going on with Foster Connection!
