SUNDAY FEBRUARY 1

ONE SERVICE AT 11am - Weather Permitting

FROM PASTOR PHILIP

Dear Church Family,

I have to start by saying—I didn't quite expect the winter weather to be such an immediate disruption! Having gotten to be *with* you only one Sunday so far as Senior Pastor, I'm definitely looking forward to the forecast cooperating and

allowing us to be together consistently. Until then, thank you for your patience and grace as we navigate these storms together.

Our hope is to meet in person for one worship service at 11am tomorrow. We won't have Life Groups in the morning. If conditions allow, we'll continue our sermon series in Colossians 1:15-17, which shows us that Jesus is enough! He's enough to answer some of the biggest questions in life. We'll be taking a look at that topic over the next two weeks, hopefully.

And, believe me, I would love the opportunity to worship with you!

That said, your safety is very important to us. If conditions just aren't safe, we'll send out another message in the morning at 9am to update everyone if the schedule must change. Please keep an eye on your email, or the website/social media for that update. And as always, use your best judgment based on the conditions where you live.

We have a plan in place to help us "gather" remotely if that is needed. There will either be a [livestream](#) of the 11am service available for remote viewing, or a recorded worship session and message will be uploaded if we must resort to that. But I am very grateful to the entire team of staff and volunteers at Mount Vernon for working together to make every effort to prepare, execute, and communicate these plans!

Please know that we're praying for you, especially for those who may be homebound, having to travel, or feeling the strain of these winter storms. If you have a need—or know someone who does—please don't hesitate to [reach out](#). We're here for you and want to care for one another well.

Yours in Christ,
Pastor Philip

ACCESS UPDATE PLEASE READ...

Dear MV Family and Guest,

We would like to inform everyone that access to Mt Vernon Baptist Church via Hartley Knob Rd/Lillie Road, off Deerfield Rd, will be closed indefinitely. The gate will remain closed unless there is an emergency.

Thank you,

MV Building and Grounds Committee

Thank You for Helping Keep Us Safe

We want to say a big thank you to our church maintenance staff and all those who pitched in this past week to clear snow and take care of our very icy sidewalks and parking lots. And thanks in advance for your work clearing from this current storm! We're so grateful for the time, effort, and care you give to help keep everyone safe.

We're also thankful for our partnership with Shae Jones and Ground Effects— their help in clearing our parking lots has been a real blessing during this stretch of winter weather.

We truly appreciate you all and the way you serve our church family.

BOTTLES OF HOPE OFFERING NOW THROUGH FEB 15

This offering supports our local pregnancy resource center, The Hope Center, in furthering its mission to educate, support, and empower women and families facing unexpected pregnancies in Boone and the surrounding area.

We will collect the bottles at Mount Vernon until February 15.

Unfortunately, the weather is delaying the scheduled Believers' Baptisms. But we are rescheduling them, and others can join as well.

If you're ready to take this important step in your faith journey, reach out to let us know, and we'll gladly walk alongside you and help prepare for your baptism. Click the button below to let us know you're interested in scheduling baptism.
