2026 CHURCH BUDGET PROPOSAL
Distribution, Q&A, & Church Vote Info

The Finance Team has prepared the 2026 church budget proposal, which has been received and approved by the Elders.

Please review the attached budget [here](#) or pick up a paper copy at the Welcome Center or church office this weekend.

Mount Vernon Baptist Church
2026 Budget Proposal

A church budget is an expression of the needs and vision of a body people. It describes how we are to fulfill the mission of Jesus' Kingdom around the world. It is a picture of the way we are to live (the church's life). The budget becomes our road map for to meet our needs and our commitment to support work we feel led to do together in our church.

Our vision is to all staff and members together in unity (unity 2026) to create a budget which will work for us. The purpose of this document is to help you understand the church's vision and the budget proposal.

Trust in God and all will be done for you (Proverbs 10:21)

NC BAPTIST CHILDREN'S HOME ANNUAL OFFERING
Our MVBC Goal - \$30,000
Our Gifts so far - \$11,740

Our Offering Changes Children's Lives!

Every day through Baptist Children's Homes (BCH), Christian men and women answer God's call to care for "the least of these" (Matt. 25:40). NC Baptist churches, like ours, answer the call in many ways, including being a part of BCH's Annual Offering. Our gifts impact the lives of children, families, and individuals served through BCH ministries. Most importantly, our gifts empower the gospel to be shared as more than 80% of those served come to BCH unchurched and unreached for Jesus.

Boone Rebuild Update: Volunteers Needed

As summer has wound down and school has started back, our volunteer numbers have dropped. But the workload hasn't slowed down! The Boone Rebuild site currently has 27 active jobs, with two brand new home constructions just getting underway—and more requests for help continue to come in every week.

We're reaching out to our local churches and community for extra hands. Even a few days—or evenings—of help next week would be a huge blessing to both our Rebuild team and the homeowners we're serving.

Next week's projects will be in Ashe County, primarily late-stage rebuild tasks such as:

- Drywall work
- Painting

- LVP floor installation
- Trim-out and finishing touches

If you're available to serve—even for a short shift—we'd love to have you join us. Evening opportunities may also be possible, depending on homeowner situations.
