

Youth Summer Events

Parents and Students,

We have a summer filled with fun. Here's what you need to know:

- Specific information and sign-up links will be available a week before each event via our church website, our parent emails, and social media.
- We need chaperones! Parents, if you're able to join us please let me know!
- We encourage you to invite your friends!
- If an event gets canceled due to weather, we will try to repeat the event the following day.
- Because of the size of our youth group, participants will be responsible for their own transportation.

Keep reading to see what's happening over the next several weeks.
