

Deep Impact Info Sheet

Departure Time:

Participants need to have their luggage loaded in the trailer in the back parking lot of the church by 8:15 am. Students cannot enter vehicles until after everyone is checked in, we give some brief instructions, and we pray. If you are leaving your car in the church parking lot while at camp, please park as far from the church as you can to leave room for those attending church.

Return Time:

Our goal is to leave camp at 9:00 am. This should get us back at about 4:30 pm. Students will contact their parents about 1 hour before we arrive. We ask that no one leaves until all vehicles are clean and all luggage has been taken out of our trailer.
