

Our youth hike is this Wednesday. Here's what you need to know!

Location:

We will meet in the parking lot at Moses Cone Manor near the horse stables/bathrooms and hike to the fire tower.

Times:

We will meet at 10:00 am and should be done by 2:00 pm. If we anticipate being back later we will post on social media and have students call you.

What to expect:

Fire Tower is a 4.5 mile hike that goes up about 600 feet in elevation. The path is wide and mostly gravel making it great for large groups.

What to bring:

Participants should bring plenty of water and lunch. Some students also bring hammocks or blankets to sit on during lunch.
