Camp Dress Code

Crossroads has determined a specific standard of dress for all attendees, including leaders. With all of us working together to uphold this standard, we hope to maintain a focus on what truly matters. This is an advanced notice so that you can pack accordingly. While our staff works hard to enforce our standard of dress, we try not to make it our only focus. We apologize in advance if there are any inconsistencies in addressing the standard of dress for one student and not another. We do rely on you and appreciate your efforts to maintain this standard of dress for the duration of camp.
